Dear Landscaper,

Let us first introduce ourselves....

Touch of Nature, Inc.

We have over 25 years of experience in the Flowerbulb and Perennial business and would like to present our Fall 2004 Landscape program for your review. Our purchasing department has all the right connections in Holland and the United States to procure the best quality flowerbulbs & perennials available at very competitive prices. Our service, however, is our most attractive attribute, as we will personally see to it that your order is taken care of efficiently and expediently!

Why not give us the opportunity to prove to you that we can fulfill your expectations? Send us your request for items today which you need for this Fall and let us quote on your order. Even if you need items that are not listed on our program, include them in your quote request...we can acquire almost any item at competitive rates! You won't be disappointed! We are looking forward to receiving your request.

Sincerely,

Landscape Department
